November Meeting Minutes — Mike Roller. Mary Pat moves to approve, Jan seconds. Vote (U)

Treasurer's Report — Tim Noonan. Treasurer's Report is published. Continue implementation of Oracle software, getting closer to completion.

Police Report — Shawn Dent. Last month saw no rise in violent crimes, with theft related crimes continuing to be the main concern. Auto thefts are higher vs. last year. Kia and Hyundai thefts continue, with the expectation it will stay high in the winter weather.

Officer Dent recommends buying a steering wheel lock. Steering wheel locks ("clubs") will be issued to Kia and Hyundai owners who have filed reports.

Dent asks that more speed humps be recommended by the committee to continue and build the neighborhood's street calming project. Speed humps are a stronger, more permanent solution compared to catching speeding motorists with laser systems.

The district recently held a traffic blitz issuing traffic citations in the neighborhood. Will share information when it is available.

Fire Report — Eric Horn. Presents helpful reminders on fire prevention heading into the holiday season.

- Candles are a fire risk, a large number of fires start from candles this time of year.
- Smoke detectors should be on each floor, preferable in each bedroom and outside the sleeping area, tested regularly to make sure batteries have not died. A good way to do it is with the time change.
- Ensure Christmas decorations are appropriate for outdoor use (don't use indoor lights outside), and use hooks instead of nails to avoid nailing into the wires.

November report: 8 fires, 26 false alarms (e.g. smoke detectors), 169 EMS runs.

Fire department uses GPS, so they support calls based on where the company is located (not based on where the firehouse is located).

The clock will be installed outside the firehouse.

Creation of a Public Safety Committee — Tim Noonan. This committee would be a liaison with the police and fire department on issues in the area. One topic would be the usage of our security cameras.

Motion by Tim Noonan to support the creation of a Public Safety Committee starting in 2023. Second by Mary Pat Lienhart. (U)

Jayne Ritter asks if we can consolidate our committees to be more efficient. Gérald supports that committees should be reduced or reorganized, as part of the new board orientation in January. Mary Pat Lienhart shares that there is enough activity within Traffic & Safety to split it out and allow for the Public Safety committee. Rachel supports one of the proposed committee activities to create a policy of how cameras will be used and monitored. Jan suggests to review the scope & goals documents of each committee.

CRC Report — Collin Fitzpatrick. Saturday CRC held a pottery fair with Clay Alliance. Holiday Extravaganza is from 6-7:30 on December 26th. Minicamps are coming up when schools are out with activities all around the city. In January, pottery will return.

CRC is working on an Improv club for Fairview and CANS students. Bouldering club in partnership with Climb Cincy in Northside.

Collin will submit a proposed budget request based on their 2023 activities.

Library Report — Jeanne S. deGroot. Recently held Holiday cookie decorating events and Curious Kids Explorers club programs. The kids club is always the first Saturday of the month, no registration is required. The plant club is growing with an after hours program on December 17, 6:30. The topic will be how plants communicate with hot chocolate served. No registration is required for this event. Friday Morning Book Club is the oldest library book club in the city, meeting since the 60s on every second Friday of the month at 10:30. [Visit the Clifton Branch website to see all events.](#)

The library continues to provide FAFSA appointments, helping students apply for federal aid.

Welcome Wagon — Gérald Checco and Jeanne S. deGroot. Neighbors who come from different countries or cities lack understanding of all the neighborhood has to offer. The library becomes a magnet for helping these people, so the idea developed for a “welcome wagon” to learn about key services in the community like metro & library.

Clifton is the most culturally-diverse community in the city (20% are minority). This is likely higher if including all born outside the US.

Motion by Gérald and Jeanne jointly to work with the Clifton Branch of the Public Library to create a program that would introduce Clifton to newcomers, including resources, transportation, and services. Second by Mary Pat Lienhart. (U)

Rachel supports the idea and also asks for a Chronicle article to support it. Also suggested an ambassador program to help people and meet new neighbors who’ve moved in. Library staff has started to share resources that can support this.

Transportation Committee — Justin Ogilby. Last month, the committee shared options for improving transportation.

Motion by the committee to enable the transportation and public safety committee to engage externally on behalf of CTM to work on detailed designs, DOTE approval and funding of the Clifton Ave solution options presented at the November meeting.

Jayne Ritter asks for clarification on the motion. Mary Pat explains that the intent is to engage externally, in accordance with the bylaws, and gather proposals with more information about the plans. Justin and the committee will primarily focus on gathering preliminary designs and ideas and seeing DOTE’s interest in supporting them.

Second by Jan Checco (unanimously approved)

Discussion about NSP 2023 — Gérald Checco. NSP is a grant focused on special programs in neighborhoods, this year the amount has gone up to approx. \$10,000. Our application needs to

be approved by Invest In Neighborhoods, and include a vote by everyone in the community in advance on which projects they would want to see funded. The rules are important to review as they change annually, which we will first see in January. In the past, funds were to be spent on programs completed by September.

One current idea is to help CRC purchase equipment for hybrid meetings, around \$5000. Ideas will come in January with the community vote in February.

Jan asks if the Welcome Wagon knows a potential budget, since we spent \$1500 on brochures this year. Jeanne explains the project is still in the idea phase. Jayme suggests funding the Memorial Day parade.

Last year, NSP funded Carpool Cinema, the first set of cameras on Telford, and the design & printing of the spring Chronicle.

Thanksgiving:

- Holidays on Ludlow was a great event with over 100 people, led by Barry Gee with Alexis Cain, Adam Balz, Laura R., Cathy Jo P.

Trustee, Committee and Liaisons Announcements:

- Brendon Cull has resigned from the board so CTM will seek a new member in January.
- Two new board members were oriented in November. The additional time for orientation is proving a positive change. The next orientation is first week of January.
- December 10 at 10:00 will be the rededication of the archway at the Rawson Bird Preserve (Middleton and McAlpin).
- Winter Chronicle is out in print, delivered by mail and at most neighborhood businesses. There are 24 pages with 55 participants with key help from Rachel, Josie, and others. The spring chronicle will focus on the community's arts & culture.

Next meeting is January 9th.

Community Questions/Concerns: None

Motion to adjourn at 8:05 pm (U)

Respectfully submitted,
Mike Roller, Secretary
