According to Gérald Checco, the police detail hired by the business association led to several arrests of troublemakers in the neighborhood. There is interest in raising money for this police detail through next year's Safe & Clean grant or the CTM Golf Outing.

The Esquire Theatre will screen the movie "Living with Landslide" on October 29, 12:00, with Laure Quinlivan and Hillside Trust CEO Eric Russo answering questions after the viewing. This initiative started with Clifton residents.

Transportation Committee Notes

Summary of Action to be taken, submitted November 4, 2022

The CTM Minutes for the months of May and June failed to record an electronic vote held by the CTM board on May 29, 2022, regarding the approval for an application for a Clean and Safe Grant for the purchase of a speed radar and material for making crossing flags. In order to ensure transparency with the votes of CTM, this is a summary of the events that led to a vote outside of the regular CTM process.

The application for the Clean and Safe Grant requested a total of \$4,741. Rationale for having an electronic vote rather than a special meeting or at a regularly scheduled meeting was that the time frame between completing the application and the deadline for submission was short, over a holiday weekend, and prior to the regularly scheduled meeting of June 6, 2022 CTM meeting. While time was of the essence, CTM had previously approved an NSP application for funds for a speed radar that unfortunately because of the NSP requirements we could not get in time. Therefore, debate about obtaining a speed radar had already occurred with CTM and was approved and the current request was just finding another source for funds. A question that did come up previously about permit fees was addressed with DOTE and email confirmation was received that permit fees are waived for community councils. In addition, the Fire Department on Ludlow Ave has agreed to allow the equipment to be stored there when not in use.

Candidates for the CTM Board - 2022

Mansee Chauhan

As I am becoming an urban planner. I wanted to be involved with the community where I live and engage with them to know their concerns while working with them. I hope that with my skills ,training and background as a an urban planner, I will be an asset to the committee. Through this committee I wish to give back to community that has welcomed me.

In my co-op and the classes that I have taken in past year and current year, will help me broaden my knowledge in real dynamic settings.

Gerald Checco

After 30 years as a public servant, leading 4 agencies, I was elected on the CTM board in 2020. I was Treasurer for two years, then President this last year. I created a Memo of Understanding between the three Clifton civic groups (Business Association, Community Fund and CTM) that enable them to work more efficiently together and maximize their effectiveness. I co-created CliftonCares during the pandemic to help our restaurants survived, receiving the “Leadership in Crisis Award” (2020), organized 7 community volunteer cleaning events, earning a Keep Cincinnati Beautiful award in 2021 and was recognized as “Friend of Clifton” in 2021 also. I worked on making the Chronicle financially self-supporting and cleaned up the mailing list. I obtained many grants, on behalf of both CTM and CBA and managed the completion and reporting of these grants. In addition to my role on the Board, I volunteered for clean ups, two Golf Outings, the Memorial Day picnic and as a contributing writer for the Chronicle.

If elected, I intend to serve my last three years fostering collaboration with our local civic groups, thriving to create a neighborhood with win-win outcomes, and helping a new generation take over the responsibility of leadership.

I am running for a Board of Trustees position of the Clifton Town Meeting (CTM) in November. I have been serving in that role for a few months as a replacement for a Trustee who could not fulfill their term. I had the pleasure to lead the resurrection of the CTM Memorial Day Parade/Picnic and currently serve on the Events committee.

We often hear discussion of the importance of community engagement, and I am pleased that here in Clifton, through the work of CTM community engagement is in the action phase. CTM has committees for many of the issues we are facing and we as a community are having a say and some control over what happens in our neighborhood.

As a community we must always remain vigilant and be a proactive voice. I have seen directly that Clifton Town Meeting is an organized and effective organization to determine the needs and build consensus for our community. I humbly ask for your vote as a Trustee and look forward to continuing to serve this great organization.

Tim Noonan

My name is Tim Noonan and I've been serving on CTM by appointment since July. I would like to continue the work I've begun on CTM's accounting software assuring that the treasurer's duties are more easily transferable in the future.

Our family moved to Clifton in 2017 after Karen and I retired from our jobs in Butler and Warren counties. We love this neighborhood and our neighbors and can't imagine a better neighborhood for us.

Besides the amazing people we have met in Clifton, we love Clifton's "useful walkability". It is so calming that so many necessary services are a short walk away. Supporting the safety and health of our business district should continue to be a CTM priority.

Crime in Clifton is a major concern for many residents. We should continue our work with District 5 Police but should also look for actions CTM can lead to aid in reducing crime.

The future will bring changes to how people move in our neighborhood. I have noticed a great increase in the use of electric bikes in Clifton. I've seen incredibly fast electric scooters recently. CTM should continue its work of making Clifton's transportation safe while staying aware of coming changes.

Thank you for reading and I hope you will consider voting for me as a CTM board member.

I first moved to Clifton to attend the University of Cincinnati and liked it so much that my wife and I bought our first house here in 2013. Elizabeth and I now live on Clifton Ave with our 4 kids--Jonah, Wesley, Ian and Isabell. Jonah and Wesley attend school at Fairview and Ian is in preschool at Immanuel. We are parishioners at Annunciation Church. Recently I've been involved with the CTM Transportation and Safety Committee, working on addressing safety issues along Clifton Ave. Professionally, I'm an executive, board member and co-founder at STACK Construction Technologies, a software company in Blue Ash. On the CTM board I'll work to continue to improve safety and quality of life for kids, families and all residents of Clifton.

As a car-free apartment dweller, I rely heavily on Clifton's accessibility to greenspace and multimodal transportation. To me, the ability to walk through a dense canopy of trees *and* to entertainment, dining, retail and educational establishments is the rare mix that makes Clifton unique.

I want all Clifton residents and visitors to feel welcome, included and valued. My career has included stints as a newspaper reporter, in communications and stakeholder engagement, and as a grant writer. I am currently a project manager for an education

nonprofit. Throughout, I've worked to make systems more responsive to the communities they serve by building understanding and promoting civic participation. I'm eager to continue this effort as CTM trustee, and I believe my experience as a resident in multi-family housing and as a public transit user adds a valuable perspective to the board.

I was appointed to fill a trustee vacancy in 2022 and now serve as co-chair of the communications committee and on the membership committee. I continue to volunteer as a writer and proofreader with the Clifton Chronicle. Going forward, I would like to encourage more and more diverse residents to participate in CTM and to expand content on CTM's website.

I have been happy to be a Clifton resident now for 18 years and like many of you love our neighborhood's beautiful parks, incredible architecture, mature trees and walkability. My family has enjoyed much that is here - from elementary education at Fairview, summers at Clifton Meadows, Clifton soccer on Spring Grove, great neighbors & block parties and much more. No neighborhood is perfect of course and there areas of needed focus critical to Clifton's viability. If elected to the board I would like to do what is possible to make the business district around Ludlow a more inviting place to be. This is for shoppers, walkers, both residents and visitors to Clifton alike. This includes making Ludlow inviting for best possible retailers as well. Store theft, vagrancy, panhandling, litter, smoke shops are some areas of concern I have. I would also support the already growing effort to Slow down traffic on Clifton Avenue. Clifton is great and can be so much better. Together we can make it happen. Thank you.
