August Meeting Minutes — Mike Roller. Jan moves to approve, Nestor seconds (U)

Treasurer's Report — Tim Noonan. Transition of bookkeeping to Oracle system continues and has gone live. The new software is being learned and also documented for future treasurers. Finances are in good shape, including recent deposits from the Golf Outing. [See report.](#)

Police Report — Officer Shawn Dent. Crime is trending up, highlighted by theft from autos and burglaries. PO Dent will speak with the captain for additional support in key locations. [See report.](#)

- Theft of Kias and Hyundais continues, stolen at an alarming rate. Owners of these vehicles should take extra measures to keep them secure.
- Traffic on McAlpin has received multiple complaints recently. There is an additional traffic officer writing citations throughout the district (100+ tickets) including on McAlpin and Ludlow. PO Dent reminds us that he takes emails and phone calls seriously, this feedback is valuable to the police.
- Police detail to address homelessness is going well. Will be looking into complaints about Burnet Woods encampments.

Molly Gray asks about the accuracy and usefulness of safety apps like Citizen. PO Dent supports the use of Citizen as well as Nextdoor.

UC Health New Burn Unit — Chad McGarvie. Program Manager of the Burn Unit reviews services and fire prevention strategies. [See presentation.](#)

- Burn patients have increased significantly over the last 3 years, treating 251 patients in 2021 (up from 198 two years previously).
- Structure fires, smoking (especially when using home oxygen), and scalding are key causes of burns. Having the right knowledge and equipment can prevent burns.

Zeeshan Tayeb asks about pain management after a burn. Chad explains that the burn unit includes services for this.

Cincinnati Park Board, new Director & Dog Park update — Jason Barron. Introduces himself and his interest in community engagement for his new role. Barron presents plans for a dog park in Burnet Woods. See images [1](#) [2](#). Location is south of the library on Brookline near the Nature Center.

Highlights of the plan include:

- 8900 square feet, about the same size as Washington Park dog park. .02% of total Burnet Woods
- No removal of trees, with an opportunity to add trees.
- Curb cuts for accessibility and handicapped parking spots.
- Specific features include benches, pavers, planting beds, vestibule for off leash dogs,
- Synthetic turf, clay mounds, and space for artwork.

Barron mentions that Parks board has approved the plan, with intent to invest \$150k seed money. Parks will work with the neighborhood and other orgs on additional fundraising.

Robert Hamberg shares the past difficulty of working with the Parks department. There has been no engagement with the community for this plan, the community has been ignored in this process.

Rachel Wells requests a community survey with concerns about an approach focused only on *modifying* the existing plan. CTM has published principles on a dog park, including (1) that it should expand green space and (2) the community must be engaged. Although Dunore Park received community engagement, this Burnet Woods plan did not. Additionally, the residential impact is higher given the surrounding buildings are multi-family homes. Wells notes that a Parks Board vote has not officially happened on this park yet.

Jan Checco asks for budget details and costs to build the project. Barron shares that fundraising details are still being clarified and will be available in the next month. Early estimates are about \$.5MM. Jan asks to be practical about what the neighborhood is capable of in terms of fundraising.

Bob Hyland shares concerns about dog parks, citing best practices published about the need for consultation. Emphasizes the lack of community engagement.

Jennifer Tomak is treasurer of UC Students for Burnet Woods. She is concerned about destructive, synthetic materials used and the park's integrity. She represents her organization, which is opposed to the dog park in Burnet Woods.

Mackenzie Mason is the president of UC Students for Burnet Woods. She is concerned about threats to the park from private interests historically over the life of the park. Burnet Woods has gone from 170 acres to 89 acres and needs to be preserved. Instead, dog parks should be identified in other areas in Uptown that can be enhanced by green spaces.

Dan Rapp supports the other comments from previous speakers in opposition to the park. In addition to other comments, he is concerned about fencing, sanitation, and decreased usability of the existing green space. While the current green space can be used by everyone, only a smaller group of individuals can use a dog park.

Gerald Checco concludes by sharing that Clifton is full of passionate people who care about their neighborhood. Stresses that we don't want to minimize people on either side of this topic. Discussion will continue in a separate meeting led by the Parks committee.

CRC Report — Collin Fitzpatrick. CRC is open on Saturdays 9-2 with pickleball in the morning and family open gym. Carpool Cinema will resume in October weekends, in partnership with

CCAC. CRC is also seeking help from the community to support a Halloween event being planned.

Library Report — Jeanne Strasse-deGroot. The library will start a new monthly plant club, starting this Saturday, September 17th at 10:30. No expertise required.

Reminder that there are still spots available for acclaimed biographer Walter Isaacson at the Aronoff Center, October 6th. Tickets are \$5. His latest book is The Codebreaker. Library is hiring a part-time customer advisor. Please encourage people to apply. A range of activities are posted on the [library website](#).

Bylaws Committee — Mary Pat Lienhart. Has reviewed standing rules with suggestions on how to improve how we run our meetings, including 2 minutes of talking time and having speakers introduce themselves. Has also reviewed who can be a committee member and who has voting privileges in committees.

- Committees. Who can be a committee member, who has voting privileges in committees, and what role trustees should play on committees (chairs, members).
- CTM Trustees. We have 15 trustees, which is on the high side compared to other organizations like ours. We have difficulty filling seats each year and limiting the number of non-residents and business owners is a possible change to explore.

Motion to update standing rules to reflect November election plans and key dates. Moving from the call out of specific dates to “30 days in advance.” Seconded. **Vote (U)**

Transportation & Safety Committee — Mary Pat Lienhart. Gerald Checco shares as background that multiple people have died recently from traffic accidents near our neighborhood, so it is important to continue to support the work of this community.

Motion that Clifton Town Meeting (CTM) supports and will submit to the Department of Transportation and Engineering (DOTE): (1) Clifton Ave. near McAlpin/Woolper and (2) Clifton Ave. near Ludlow Ave, for pedestrian safety improvements pursuant to DOTE’s request for the community’s top two priority locations for consideration. Second by Tim Noonan. **Vote (U)**

Nominating Committee — Gérald Checco. As of today, the committee has 9 candidates to fill 7 positions. We will move forward with a contested election on the first Monday in November.

CBR Request for Ideas — Gérald Checco. City has asked us for submissions from the community for projects we would like to see. We may need a special meeting to vote and approve on ideas. Historically, few ideas have been taken by the city so it is important that we put together a strong proposal for our suggestions.

Thanksgiving:

- Thanks to the Golf Outing volunteers for raising \$20,000 to the Lady Bearcats, the highest amount ever.
- To 14 foreign-born Cliftonites for sharing their stories in the Chronicle.
- Tim Noonan for his work on the new financial system.
- Nestor Melnyk by finding a solution that saved \$35,000 in grant money for the plaza.
- Thanks to the community for supporting the safety detail making a positive impact on guests and business owners of Ludlow Ave.
- Thanks Transportation & Safety committee volunteers. Clifton's own speed radar will arrive soon!
- Jayme thanks Jan and Gerald for their efforts to reduce graffiti, especially Jan's color-matching skills
- Rachel thanks Mary Pat for her big investment in time, co-chairing 3 committees

Trustee, Committee and Liaisons Announcements:

Next Neighborhood Cleanups are being planned for October 8th and 15th. CTM members should be looking for emails for details. The 8th will focus on planting while the 15th will focus on cleanup.

Communication committee highlights changes to the website. There is an added news page, primarily with content from the Clifton Chronicle. Thanks to Jan for driving this and for making Chronicle stories more accessible to the community. The committee always welcomes more volunteers.

Winter Chronicle will meet to finalize stories, with features about people growing their own food in Clifton, as well as an investment in eating healthy. Interviews with foreign-born neighbors will continue because of strong positive feedback on this.

Nestor Melnyk motions that we meet in person (with hybrid technology) in November at the CRC. **Vote (U)**

Robert Hamberg notes that attendees are much higher using virtual methods, and that in order to meet in person we need a viable system to attend and participate (e.g. microphones). Rachel offers support to help ensure the right plans are in place for a hybrid meeting. Gerald will contact Collin at CRC to work on this. Mary Pat clarifies that voting can still be handled electronically.

Community Questions/Concerns: None

Motion to adjourn at 7:58 pm (U)

Respectfully submitted,
Mike Roller, Secretary
